Subject: A request for the United Nations

Dear Secretary Ban Ki-moon and United Nations,

We are reaching out to you as members of *The Mother's Action of the Srebrenica and Žepa Enclaves*.

We are gravely concerned about the situation unfolding in the Middle East. On a daily basis, we are witnessing and hearing about the suffering of innocent people, women and children, in besieged and war-torn Aleppo, Syria.

As mothers who have lost their children and loved ones in the Srebrenica genocide, we know what kind of suffering and fear the innocent people of Syria are going through. We know what it is like to watch dead children; our loved ones being killed; suffer from hunger hour after hour and day in and day out; to watch our world crumble in front of us; to smell blood; hear constant shelling; and not know what to expect next. This kind of torturous state is not for anyone and it can not be endured, it has to be stopped at any cost.

We urge you, the United Nations, to stop the killings of innocent people because there is no price for a human life. We are all equal and we should all be equally protected. We do not want another Srebrenice to happen to anyone and anywhere. Stop the war in Syria and the Middle East.

Sincerely,

Members of the Association: Munira Subašić, Kada Hotić, Zumreta Šehomerović and Sabaheta Fejzić as well as other mothers who have lost their loved ones in the Srebrenica genocide in Bosnia and Herzegovina.

Please, stop the war. We need life to prevail.

Munira Subašić

*President of The Mother's Action
of the Srebrenica and Žepa Enclaves*
